

Tere mere beech mein yeh dard kya hai?
Tera mera toh jahan koi doosra hai

Yahan sab ruka ruka hai
Tujhe maangti Khuda se
Mera sab ruka ruka hai
Mujhe thaam le zara

Saaye hain jo tere
Har lamha aaye
Mera hoke bhi kyun

Tu mera naa hai

Mera sab ruka ruka hai
Tujhe dhoondhe tu kahaan hai
Meri saansein tham na jaaye
Mujhe thaam le piya

Ruka ruka teri yaadon mein sab
Dhuan dhuan dikhta hai yahaan
Ruka ruka teri baahon mein sab
Tu na mile toh kya hai yahaan

Wo o...

Tujh bin ye aawaaz adhoori
Raag adhoore
Baat adhoori
Tu door sahi
Majboor sahi
Mera...Tu mera...

Aankhein sapne tol rahi hain
Haath ki rekha bol rahi hai
Kaash muqaddar ho mera ye
Main aa jaaun kaam mein tere.
