

# Rula Diya Lyrics

---

Main aasmaan hoon taaron sa jaan le  
Tere bina naa rahoon maan le

Tere pyaar ne mujhe ruladiya  
Aaye karaar naa mujhko kahin  
Meri thi aarzoo tha mera yaar tu  
Tere bina main kisi ka nahin

Mitaa do mujhe koi pareshaan hai  
Gira naa mujhe tere pyaar mein  
Teri dhadkano mein zinda hoon main  
Beliya

Dil ki har deewar par  
Likha tera naam hai  
Duniya se kehla do na  
Tu meri jaan hai

Mohabbat zara sikha do mujhe  
Main apni kami bataaon kise  
Meri abroo lautaa do mujhe  
Beliya

Baatein jo meri  
You know i can't explain it  
Jaan hai tu meri  
Don't wanna see you ever leave  
Cause girl you got me focused  
But when it hurts you gotta promise me

To give me all you got  
Cause there's no point in losing  
Girl put in the fight  
So we could make it through  
I don't wanna breathe  
If i'm living without you  
All the cars and possessions  
Don't mean ish if i ain't got you
