

Run Down The City-Monica Lyrics

Pyaase-pyaase in mere labon ke liye
Wanna get down for the night
Yeah demon I just wanna freed
Wanna breathe wanna live it

Tere honthon ne hazaar vaade kiye
Well is it true that
Your love is a blessing
I just wanna freed
Wanna love wanna breathe it

Bhoolne waale koi jiye to kaise jiye
Living it all out
I got no religion
I just wanna freed
Wanna love wanna breathe it

Are haan is it on now
Are haan is it on now
Are haan is it on now
Haan its a showdown!

La la la la la la la la

Monica oh my darling
Monica oh my darling

You aint never seen a bad girl on the street
Living it up we in a one down city
You aint never met a bad girl like me
Living it up head on I come so pretty

Could you fall in love with a girl like me
My baby tough he got a red machete
You aint never met a bad girl like me
Living it up head on I come so pretty

Oh god oh god oh god
When it all goes down

I am gone
Oh god oh god oh god
Can you hold me down

You got my love to take
Dont give if you want it all
Oh god oh god oh god
Can you hold me down

Piya tu ab to aaja
He is so gangsta run down the city
Shola sa man dahke aa ke bujha ja
