---

Ghalib ya meer lafz kamaan charha teer laaya  
Such ki kitaab gaanay samaaj ki tasveer  
Sub zameeni khuda dang jaise aaye ababeel  
Kya woh waaqif nahi hain abhi ek qalam taboot may keel huh?

Kya kehna jaun shaamein lambi theen din chotay thay  
Darbadar ki thokrein hum woh sikkay thay jo khotay thay  
Nahi bharkaya ghairon ne par apnon ki majaan dekh  
Kandhay diye hain yaaron ko zakhmi hai dil sambhaal ke

Aamad ka silsila han waqt diya likhayi ko  
Haath nahi rukenge be-shak kaat de iss kalayi ko  
Daad de iss dhitayi ko indhan hai siyaahi tou

Rap game ke tycoon ghair maqami side hon

Khanabadosh dekhun khanajangi roz  
Naye whip mehngi shoq like i'm elvis on the road  
Baarah maheene kaam phenkein idhar mein aur mere bros  
Face facts idhar kon kitne paani may hai boss

Charri gashtiyon ko mastiyan  
Chalti nahi hum par marziyan  
Sheher may hum he hastiyan  
Band bharwatiyon ki bhartiyan

Dikhani hain humdardiyan  
Tumhe likhne ka zaraf diya  
Hum gaanay he naa daalein  
Tab bhi tum se uper shartiya

Hum par naa parein woh subah ki kausarein  
Jo pee kar behk gaye woh maikaday ko kos rahay  
Mukhlison ki bheer may milein ge doglay  
Aur mujhe aate nahi samajh munafiqon ke hoslay

Lene walay inteqaam bikte korriyon ke daam  
Shoot you down hum utaarte nahi storiyon pe kaam  
Hunnid gang hunnid gang aadhay sinners aadhay saints

Fucking badass sirr te charh gaya ty wala pen jaise

Khuwahishein dafan tera farsh kar dein tang  
Idhar apne jaise chand  
What a life gotta move lekin sideways  
Lapse over lapse lekin hustle nahi hai kam

Shaba' run run run run  
Banay teri jaan pe hum ginein teri saans ko  
Tou run run run run  
Life jaise death race khula ghoomay pablo

Ghum rakhe dil may khushiyon ko baant'ta raha  
Dehshat pheli hui kyun ke meri raat jawaan  
Yeh haath gawah aake dekh yeh halaat gawah  
Yeh haath phela sirf khuda ke aage jaag zara

Zakham yeh gehre thay hum marham hum ilaaj bhi  
Sun'ne walay behre thay yeh duniya bheer pe nachti  
Dete sub ka saath jab ke mera naa tha saath koi  
Lafz yeh chiragh yeh andhera aur yeh raat wohi

Kya kehna jaun raatein sachi hain din jhootay hain  
Khuwabon ko rangeen karne ke liye tou tootay hain  
Hum roothay hain zamanay se tanhayion may doobay hain  
Nazmon ka hawala dein gaano may hum tou koodein ge

Chal ke dekh in jooton may hum bhi phir tum se poochein ge  
Samandar ki in lehren may woh mere aks ko dhoondein ge  
Jeete-jee qadar nahi hum chal paray to poojein ge  
Jaana ek din jaana mela nahi zamaana lootein ge

Mushkil may kharay umar choti loug sarray thay  
Qismat se larray hum aqal may sub se baray thay  
Safar may maray tou keh dena hum loug larray thay  
Hum darasal karachi palay aur woh hum pe palay thay

Woh jalein jab hum chalein par hum chalein tou woh chalay bro  
Peeth peeche bharwat aur phir muh pe aake banein bro  
Hum banein tou woh banein mere naam pe yeh karein score  
Milni nahi be-shak mujh se likhwa le ke tu lun hai bro

Baat seedhi rappers ko dikhaata raah seedhi  
Baby teri line de rahi aur mein keh raha bhaag didi  
Kahani bari dark baby  
Hum he yahan ke pac biggie hustle hai shanakht meri  
Apnon ki hai laash dekhi sarkon pe woh aag dekhi  
Duniya tu ne khaak dekhi jab charh rahi shaakh dekhi  
Hunnid flows call me mr. Hunnid flows  
Haddi-pasli torr dein yeh launday hum khanabadosh

Khuwahishein dafan tera farsh kar dein tang  
Idhar apne jaise chand  
What a life gotta move lekin sideways  
Lapse over lapse lekin hustle nahi hai kam

Shaba' run run run run  
Banay teri jaan pe hum ginein teri saans ko  
Tou run run run run  
Life jaise death race khula ghoomay pablo
