

Run Run Lyrics

Shandar pura jaandar
Jaandar teda hai dimag
Dil hai imandar
Har kaand ke baare mein hai
Jaankar
Har kaand ko kare faad faad

Teda hai jo tu
Ye hai pura sankhie sankhie
Mat karna faaltu nautanki
Aa gaya jo apne pe ye toh
Faadega aur kaatega
Bajegi aise dimag ki ghanta

Caution deta sabko warning
Khole sab ki aankhe ahh
Good morning
Padta na farak koi kaha kya bargain
Jitna alarming utna hi charming faaltu
Kaamon ke liye nahi hai waqt

I am honest corrupt..

Nazar ghumaa dekh jara
Kya kya ho raha

Aankhe hai khuli hui
Jag sara so raha
Sab ke ghar deewarein sheeshein ki bani
Jhaanke har koi kya ho raha its all to funny
Kaisi hai ye duniya kaise kaise hai ye log
Kaisa laga hai ye rog kahi bachi nahi ho
Andar se kyu khokle bahar se kyu dogle
Vahi ghope khanjar pehle saath mein
They jo chale

Iska uska uska iska tera mera jane kiska
Har koi kyu isme pista eviery night and day
Char deewarein ki baatein jab duniya sunne
Sabka ek hi dil dil uspe million shades of grey

Run run meri life hai fun fun
Run run puri vibe hai fun fun
Run run karu sabko mai stun stun

Run run meri life hai fun fun
Run run puri vibe hai fun fun
Run run karu sabko mai stun stun

Baimaani ka paisa jaise jungle ghoda
Na kabu mein aaye na na band ke rakh sake thoda
Us jungle ghode pe saare karne chahte ride
Ek haath lapke jo dusre ne choda
Ek jagah tike na pata sabko baat
Us jungle ghode ke piche daude dimag
Kale dhan pe hai sabki aankh
Chota bada soche isike baare mein din raat

Ye sapne badhte hai day by day
Jyada se jyada rakhna chahte hai ye
Bhulke sab kanoon kayde kaise aur mile
Yehi dikhayi deta

Na jane kaha chupa hai re sabka zameer
Na tera hai ye paisa na teri ye zameen
Banna hai tu ban dil se amir
Varna ant mein kamake dikha dusre ko hi

Run run meri life hai fun fun
Run run puri vibe hai fun fun
Run run karu sabko mai stun stun

Pura jaankar

Run run meri life hai fun fun
Run run puri vibe hai fun fun
Run run karu sabko mai stun stun

We aint finished yet

Run run meri life hai fun fun
Run run puri vibe hai fun fun
Run run karu sabko mai stun stun

Run run meri life hai fun fun
Run run puri vibe hai fun fun
Run run karu sabko mai stun stun
