

Kuch hai per kyun dikhta nahin
Yeh kaisa safar jo rukta nahin
Aik ehsaas hai jo mera nahin
Jo chahta hoon woh milta nahin
Aisi bhee kya berukhi hai
Kuch sune hum kuch tum suno
Mil jata hai phir khuda bhi
Is zameen per hi doondh lo

Rung do rung do
In lamhoun ko khushiyoun mein rung do
Rung do rung do
Apne rungoun mein dunya rung do

Yeh mausam kyun badla nahin

Jo bikhra hai simta nahin
Kehne ko toh yeh hi hai zindagi
Par ab tak main samjha nahin
Aisi bhi kya bebasi hai
Jaanay bhi do is baat ko
Lamha lamha zindagi hai
Jaisay chaho rung do

Rung do rung do
In lamhoun ko khushiyoun main rung do
Rung do rung do
Apne rungoun mein dunya rung do

Yeh aanso palkon pe
Aa ke bhi muskurayen
In lamho ka aisa sung ho
Ghum saare jeevan ke
Khusiyoun main mil jayen
In sapno ka aisa rung ho
Rung ho...

Rung do rung do
In lamhoun ko khushiyoun main rung do
Rung do rung do
Apne rungoun mein dunya rung do

Rung do...rung do...rung do...
