

Tumane mere sine se patthar hata diya
Shukriya tumhaara jo mujhako riha kiya
Har taraf deewaron se
Takara raha hoon main
Khud se baat kar karke
Bhukata raha hoon main

Ungali pakad lo ke chalane
Ko lalacha raha hoon main
Yeh pakada rog rupaiya,
Rupaiya, rupaiya

Suno suno suni kuchh aawaaj,
Jaise koyi dil dhadaka ho
Jaise saanson mein saans,
Jaise koyi kai parinda
Udane ko par tod raha ho
Jaise koyi bhuk ka
Maara roti roti bol raha ho
Yeh uda yeh uda rog
Rupaiya, rupaiya, rupaiya

Abb chalu yahaan ka kaam ho gaya
Kaation mein phir mera naam ho gaya
Jisane jaan bakshi mujhe
Woh mujhape kurbaan ho gaya
Hai jeher mujhame daba main
Jinda hiin main mara main hoon
Phir kone mein ,phir kone mein,
Chhip jaaunga
Ummidon mein phir jag jaayunga
Aa chalu kal phir main aayunga
Yeh badha yeh badha rog rupaiya,
Rupaiya, rupaiya rupaiya.
