

Dil jabse diya hai sajan ko  
Apne begane bhul gaye  
Ulfat ka fasana yaad raha  
Aur sare fasane bhul gaye  
Sajan ki yaad suhani hai  
Haye suhani hai  
Sajan ki yaad suhani hai  
Haye suhani hai  
Kya isi ka naam jawani hai  
Haye jawani hai  
Kya isi ka naam jawani hai  
Haye jawani hai  
Sajan ki yaad suhani hai  
Haye suhani hai

Tum ek nazar se de dena  
Tum ek nazar se de dena  
Agar tum apne dil ko  
Agar tum apne dil ko  
Kya isi ka naam jawani hai  
Haye jawani hai  
Kya isi ka naam jawani hai  
Haye jawani hai  
Sajan ki yaad suhani hai  
Haye suhani hai

Yeh hoth gulabi kya kahna  
Yeh gal sarabi kya kahna  
Yeh hoth gulabi kya kahna  
Yeh gal sarabi kya kahna  
Jhukti aankh mastani hai  
Kya isi ka naam jawani hai  
Jhukti aankh mastani hai  
Kya isi ka naam jawani hai  
Jhukti aankh mastani hai  
Kya isi ka naam jawani hai  
Haye jawani hai  
Sajan ki yaad suhani hai  
Haye suhani hai

Is dil ki ada par kaun mare  
Is dil ki ada par kaun mare  
Kaun aise iske naam kare  
Kaun aise iske naam kare  
Aaj apni kal begani hai  
Kya isi ka naam jawani hai  
Aaj apni kal begani hai
