

Zara zara sar se sarakne
Laga mera aasmaan
Dabe dabe paanv
Nikalne laga tera raasta
Tumko humara hai
Humko tumhara wasta
O leke ek duje ko baahon
Mein banayein apna jahaan

Saamne hai savera
Thoda tera thoda mera
Haan saamne hai savera aa
Zara zara sar se sarakne

Laga mera aasmaan

Dodhun bajaaye kaun bajaaye o
Baadul baaul bajaaye re
O re maajhaye re ek tara
Mathay tupur tupur
Kothay nupur nupur
Bajaaye modhur
Modhur maajhi re
Maajhi re dhum na
Dhum na dhum na
O majhi re
Maajhi re dhum na
Dhum na dhum na

Siyakaare siya
Raina hai na hui hai dhuaan
Dhuaan dhuaan
Dhuaan o dhuaan
Chhuaa tune chhuaa
Khill gaya mera har ruaan
Ruaan ruaan ruaan o ruaan
Aaja dhoop se daaman bhar lein
Dil basaaye din naya
Chadhta huaa badhta huaa
Samne hai savera

lyrics

Thoda tera thoda mera

Haule haule phir se
Dil mein naya armaan huaa
Lagta hai mujhko
Lagne lagi teri duaa
Tumko humara hai
Humko tumhara wasta
Ho leke ek dooje
Ko baahon mein
Banayein apna jahaan

Saamne hai savera
Thoda tera thoda mera
Haan saamne hai savera.
