

Saare jahan se achha
Hindustan hamara
Hum bulbule hai iski
Ye gulsitan hamara

Parbat hai iske unche
Payari hai iski nadiya
Parbat hai iske unche
Payari hai iski nadiya
Aakash mein isike
Gujri hazaro sadiya
Hasta hai bijliyo par
Ye aashiyān hamara
Hum bulbule hai iski
Ye gulsitan hamara

Saare jahan se achha

Viraan kar diya tha
Aandhi ne is chaman ko
Dekar lahu bachhaya
Gandhi ne is chaman ko
Raksha karega ishki
Har naujawan hamara
Hum bulbule hai iski
Ye gulsitan hamara
Saare jahan se achha

Aawaaj de raha hai
Ye aman ka pujari
Ye jung aur ladai
Humko nahi hai pyari
Kya kah raha hai dekho
Kaumi nishan hamara
Hum bulbule hai iski
Ye gulsitan hamara
Saare jahan se achha.
