

Saari duniya mein kahi
Uske jaisa koi nahi
Kismat se apni be khabar
Sachi ki chuni usne dagar
Raasta tha mushkil
Use banna tha mahan
Yog shakti ke bal pe karta
Har mushkil aasan
Saptrishio ne use chuna
Aur diya saato shaktio ka gyan
Shaktimaan shaktimaan

He he shaktimaan shaktimaan

Duniya ka rakhwala yeh
Aur kitna himmatwala yeh
Hawao se bhi tez hai
Burai ko dhul mein milata yeh
Iski roshni mita deti
Andhere ka namo nishan
Yog shakti ke bal pe karta
Har mushkil aasan
Saptrishio ne use chuna
Aur diya saato shaktio ka gyan
Shaktimaan shaktimaan
He he shaktimaan shaktimaan.
