

Meri nazar mein tu hai, jehano jigar mein tu hai
Khaabo ke ghar mein tu hai
Dil soche, dil chaahe, dil maange saath
Dil chaahe saath, dil maange saath
Tera saath, saath tera saath
Shaamo seher mein tu hai, aatho pehar mein tu hai
Dil mein jigar mein tu hai
Dil soche, dil chaahe, dil maange saath
Dil chaahe saath, dil maange saath
Tera saath, saath tera saath

Yaado ke dere mein, mann ke basere mein
Baahon ke ghere mein aa bhi jaa na
Bechain aaho mein, meri panaho mein
Chaaht ki raaho mein aa bhi jaana, mujhko sataati hai
Paagal banaati hai, dhadkan bulaati hai aa bhi jaa na
Dil mein, safar mein tu hai, raahe gujar mein tu hai
Dil soche, dil chaahe, dil maange saath
Dil chaahe saath, dil maange saath
Tera saath, saath tera saath

Aalam deewaana hai, pal bhi suhaana hai
Mausam mastaana hai yu tadapa na
Sine mein tufaan hai, mehaki tamanna hai
Tera hi armaan hai yu tadapa na
Pyaasi duhaayi hai, masti si chaayi hai
Mushkil judaayi hai yu tadapa na
Meri nazar mein tu hai, jaana asar mein tu hai
Dil mein jigar mein tu hai
Dil soche, dil chaahe, dil maange saath
Dil chaahe saath, dil maange saath
Dil chaahe saath, dil maange saath
Saath tera saath, saath tera saath
Saath tera saath, saath tera saath
Saath tera saath, saath tera saath.
