

Saath mere aaogi, kahaan, ice cream khaogi, haan, haan
Saath mere aaogi, kahaan, ice cream khaogi, haan, haan

Paas bulaate ho, ice cream khilaate ho, bolo iraada hain kya
Apana yeh waada hain, kya, nek iraada hain, waah waah
Tumako ghumaaunga, duniya dikhaaunga, aayega tumako maja
Taaraampaaramparam paramparam taaraampaaramam

Maine waada kiya, pura woh kar diya
Kaho kaisa laga mere yaar, bahot achha laga
Honthon se jo suna, aankhon se jo kahaan, kaho kaisa laga mere yaar
Are baaba bolati hoon na bahot achchha laga
Chhori chhori pyaar karana bahot bura hain
Pyaar se inkaar karna bahot bura hain
Dil na karo chhota abhi tumne dekha hi kya

Taaraampaaramparam paramparam taaraampaaramam
Picture dekhogi haan, haan, disco mein chalogi, kahaan
Picture dikhaate ho, disco le jaate ho, bolo iraada hain kya
Taaraampaaramparam paramparam taaraampaaramam

Din mein taare dikhe bade pyaare dikhe
Mujhako jannat najar aa gayi, sachmuch
Dhire dhire piya dil tune liya, pyaar ki yeh ada bha gayi, achchha

Kamare mein mere bata aayegi tu kab
Phir kabhi pyaar se bulaayega tu jab
Ye faasale lag ja gale, logon se darana hain kya
Taaraampaaramparam paramparam taaraampaaramam
La la la la.
