

Sathi milte hai badi muskil se  
Sathi milte hai badi muskil se  
Kisi ka sath na chhodna  
Sathi milte hai badi muskil se  
Kisi ka sath na chhodna  
Jan se pyari hoti hai yaari  
Jan se pyari hoti hai yaari  
Yaari kabhi na todna  
Kisi ka sath na chodna

Samay to hai ek chanchal dhara  
Samay to hai ek chanchal dhara

Kaun ise lautayega  
Bichda sathi tuta tara  
Fir na kabhi mil payega  
Jisse bhi milna pyar se milna  
Jisse bhi milna pyar se milna  
Dil na kisi ka todna  
Kisi ka sath na chhodna  
Sathi milte hai badi muskil se  
Kisi ka sath na chhodna

Samay to hai ek chanchal dhara  
Samay to hai ek chanchal dhara  
Kaun ise lautayega  
Bichhada saathi tuta tara  
Phir kabhi na mil payega  
Jise bhi milana paya se milana  
Jise bhi milana paya se milana  
Dil na kisi ka todana  
Kisi ka saath na chhodana  
Sathi milte hai badi muskil se  
Kisi ka sath na chhodna

Pyar ka podha har pal sincho  
Pyar ka podha har pal sincho  
Der lage kumlata hai  
Tut gaya to jud nahi pata  
Bada hi najuk nata hai

Jag me kisi se pyar ka nata  
Jag me kisi se pyar ka nata  
Sochake hi jodna  
Kisi ka sath na chhodna  
Sathi milte hai badi muskil se  
Kisi ka sath na chhodna

Yaar na ho jis mahfil mein  
Yaar na ho jis mahfil mein  
Wo mahfil mahfil hi nahi  
Pyar na ho jis jivan mein  
Wo jine ki kabil hi nahi  
Sabse badi hai pyar ki punji  
Sabse badi hai pyar ki punji  
Pyar se muh na modna  
Kisi ka sath na chhodna  
Sathi milte hai badi muskil se  
Kisi ka sath na chhodna  
Sathi milte hai badi muskil se  
Kisi ka sath na chhodna.
