

Saathi re saathi re saathi re
Saathi re saathi re saathi re

Anjaan tha main
khud ki nazar mein
Teri nazar se pehchan mili
Anjaan tha main
khud ki nazar mein
Teri nazar se pehchan mili
Haan main hoon ab main hoon
Haan main hoon ab main hoon

Saathi re saathi re saathi re
Saathi re saathi re saathi re

Anjaan thi main
khud ki nazar mein
Teri nazar se pehchan mili
Anjaan thi main
khud ki nazar mein
Teri nazar se pehchan mili
Haan main hoon ab main hoon
Haan main hoon ab main hoon

lyrics

Saathi re saathi re saathi re
Saathi re saathi re saathi re

Pehli dafa main mila zindagi se
Pehli dafa dosti ho
gayi hai khushi se
Kya rang hote hain zindagi ke
Mujhko pata yeh chala
hai mili jab tujhi se
Mujhe pyaar hua hai
jeene se Tere hone se
Mujhe pyaar hua hai

jeene se Tere hone se
Haan main hoon ab main hoon
Haan main hoon ab main hoon

Saathi re saathi re saathi re
Saathi re saathi re saathi re

Main chal rahi hoon
upar zameen se
Yeh jo ho raha hai
Meri jaan hua hai tujhi se
Achanak mein kissa
Mere saath yeh ho gaya hai
Badi tez tere mere
pyaar ki dastaan hai
Mujhe pyaar hua hai
jeene se Tere hone se
Mujhe pyaar hua hai
jeene se Tere hone se
Haan main hoon ab main hoon
Haan main hoon ab main hoon
Saathi re saathi re saathi re
Saathi re saathi re saathi re
