

Saathi utha badban badban badban
Manzil ko hoja rawa
Ho tera allah beli tera allah beli
Tera allah beli tera allah beli
Hai hasi karawa aye jawa zindagi
Hai hasi karawa aye jawa zindagi
Tera allah beli tera allah beli

Duniya ko jaano koi khwab hai
Jaano koi khwab hai
Lekin ye mano lazwab hai
Aaye koi jaye koi
Jaye koi aaye koi
Iske liye na gum na koi khushi
Tera allah beli tera allah beli
Tera allah beli tera allah beli

Toofa se khelna hai zindagi ka naam
Hai asli zindagi ka naam
Nila ye aasma hum sab ka paswa
Chalta hai saath subaho sham
Eye noujawa eye noujawa
Tera nisha tera nisha
Jab tak hai jaha na mitega kabhi
Tera allah beli tera allah beli
Tera allah beli tera allah beli

Aiso ke liye allah nige ban hai
Allah nige ban hai
Duniya mein jinka ye iman hai

Jinka ye iman hai
Dil mein wafa dil mein wafa
Lab pe dua lab pe dua
Sabse meri hai yahi bandagi
Ho tera allah beli tera allah beli
Tera allah beli tera allah beli
Hai hasi karwa aye jawa zindagi
Hai hasi karwa aye jawa zindagi
Tera allah beli tera allah beli

Tera allah beli tera allah beli
Tera allah beli tera allah beli.
