

Saawali si raat ho, khamoshi ka saath ho  
Hmm saawali si raat ho, khamoshi ka saath ho  
Bin kahe bin sune, baat ho teri meri  
Neend jab ho laapata, udasiyaan zara hata  
Khwabon ki razaai mein, raat ho teri meri

Hmmm mmm...

Jhilmil taaron si aankhein teri  
Khare khare paani ki jheelein bhare  
Hardam yun hi tu hansti rahe  
Har pal hai dil mein khwahishein  
Khamoshi ki loriyaan sun toh raat so gayi  
Bin kahe bin sune, baat ho teri meri

Saawali si raat ho khamoshi ka saath ho  
Bin kahe bin sune, baat ho teri meri

Barfi ke tukde sa, chanda dekho aadha hai  
Dheere dheere chakhna zara  
Hmm hansne rulane ka aadha-pauna vaada hai  
Kankhi se takna zara  
Ye jo lamhe hain lamhon ki behti nadi mein  
Haan bheeg loon, haan bheeg loon  
Ye jo aankhen hain aankhon ki gumsum zubaan ko  
Main seekh loon, haan seekh loon  
Ankahee si guftagu, ansuni si justajoo  
Bin kahe, bin sune, apni baat ho gayi

Saawali si raat ho khamoshi ka saath ho  
Bin kahe bin sune, baat ho teri meri.
