

Sab kuchh karna iss duniya mein
Pyaar na karna bhool ke
Kabhi kisi se apni aankhen
Chaar na karna bhool ke
Ji pyaar na karna bhool ke
Sab kuchh kehna yeh matt kehna
Pyaar na karna bhool ke
Nazren mila ke ulfat se
Inkaar na karna bhool ke
Ji pyar na karna bhool ke

Pyaar kiya thha parwaane ne
Shama ne usko jala diya
Jalne ka hi naam hai milna
Pyaar ne unko mila diya
Milne ki iss reet ko tum
Aiktiyaar na karna bhool ke
Kabhi kisi se apni aankhen
Chaar na karna bhool ke
Ji pyar na karna bhool ke

Pyaar karoge pachhataoge
Yeh duniya badnaam karegi
Ee

Badnaam karegi
Laakh kare badnaam mohabbat
Apna ooncha naam karegi
Apna ooncha naam karegi
Aise oonche naam kaa tum

Byopaar na karna booul ke
Kabhi kisi se apni aankhen
Chaar na karna bhooul ke
Ji pyar na karna bhool ke

Pyaar karenge nahin darenge
Bina pyaar ke duniya kya hai
Duniya kya hai
Bina pyaar ki duniya sachhi
Pyaar ki duniya mein dhokha hai

Sab kuchh kehna yeh matt kehna
Pyar na karna bhool ke
Nazre mila ke ulfat se
