

Mangal mangal mangal
Mangal mangal mangal
Mangal mangal mangal
Mangal mangal mangal

Sab Kushal Mangal!

Duniya hai gazab tamasha, ha ha
De ja ye sab ko ye jhaansa, ha ha

Duniya hai gazab tamasha
De ja ye sab ko ye jhansa

Kahien chal rha hai love ka triangle
Sabka apna apna angle
Yahan wahan ishqo ka jungle
Macha hai dangal

Phir bhi!

Sab kushal mangal
Sab kushal mangal
Sab kushal mangal
Sab kushal mangal

Sab kushal mangal

Sab kushal mangal

Life of a person is full of locha
Life of a person is Medical ya IT
Life of a person is mandir ka ghanta
Jisey tane mar mar bajayegi society
Kat rahe zindagi, kaun yahaan jee rha
Boss roz sir pe betha khoon tera pee rha
Betha intezaar kare pyar ki tu aas mein
Pyar lekin tera kisi aur ke hai paas mein
Sabke hai affair chahe aunty ho ya uncle
Neta log seat piche ladte Royal Rumble
Chaar sone wale par ek hi hai kambal

Fir bhi zindagi mein sab kuch kushal mangal

Beauty lage cutie, cutie laakhon ko looti
Chehre ke piche hai ek chehra naya chupa
Ingle kare tingle sab gaye darti jingle
Zara bach ke, haan bach ke
Duniya hai bahut kharaab
Sab ulat pher, sab golmaal
Saare besure na sur na taal

Aapa dhaapi bhagam bhagi
Dhoop ka mausam lage hai foggy
Chaaro taraf hai sabkuch fumble
Ho raha hai jumble

Phir Bhi !
Sab kushal mangal
Sab kushal mangal
Sab kushal mangal
Sab kushal mangal

Sab kushal mangal
Sab kushal mangal
Sab kushal mangal
Sab kushal mangal

Mangal mangal mangal
Mangal mangal mangal
Mangal mangal mangal
Mangal mangal mangal.
