

Sab thath pada rah javega
Sab thath pada rah javega
Jab laad chlega banjara
Dhan tere kam na aavega
Jab laad chlega banjara

Jo paya hai wo bant ke kha
Kangal na kar kangal na ho
Jo sabka hal kiya tune
Ek roz wo tera hal na ho
Is hath se de us hath se le
Ho jave sukhi ye jag sara

Ho jave sukhi ye jag sara
Sab thath pada rah javega
Jab laad chlega banjara

Kya kotha kothi kya bangla
Ye duniya rain basera hai
Kyu jhagada tere mere ka
Kuch tera hai na mera hai
Sun kuch bhi sath na javega
Jab kuch ka baza nakara
Jab kuch ka baza nakara
Sab thath pada rah javega
Jab laad chlega banjara
Dhan tere kam na aavega
Jab laad chlega banjara

Ek banda malik ban baitha
Har bande ki kismat phuti
Aa itna mohe phagane ka
Do hatho se duniya luti
Hey dono hath magar khali
Utha jo sikandar bechara
Utha jo sikandar bechara
Sab thath pada rah javega
Jab laad chlega banjara
