

Sabke aage hamko nachaya
Kitna uncha kam kiya
Sabke aage hamko nachaya
Kitna uncha kam kiya
Ghunghat tum mardo ne utara
Aurat ko badnam kiya
Sabke aage hamko nachaya
Kitna uncha kam kiya
Ghunghat tum mardo ne utara
Aurat ko badnam kiya
Sabke aage

Tum jindagi mein aage ho kitne
Sare jaha ko dikha to diya
Mai thi purane khyalo ki ab tak
Tumne shrabi bana to diya
Wah re mere jeevan sathi
Tumne kitna nam kiya
Sabke aage hamko nachaya
Kitna uncha kam kiya

Damyanti ko jungle mein chhoda
Aur dropdi ko korwo ke pas
Nal bhi tumhi the pandaw bhi tum the
Sun sun ke hote ho kyu udas
Har yug mein tum mardo ne
Hum pe julm hi karke nam kiya

Shanakr ke sar pe ganga chadi hai
Aurat nahi to wo kaun hai
Karishna ko jiski thokar padi hai
Aurat nahi to wo kaun hai
Hamse puchho aurat ne kaise
Marodo ka kam tamam kiya

Ghunghat tum mardo ne utara
Aurat ko badnam kiya sabke aage
Laz ko ghar ki hotel me lake
Sabko dikhlaya wah re nojawa
Dikhlayi utmko rango ki dunia

Bolo ye duniya dekhi tumne
Bolo kaha bolo kaha bolo kaha.
