

Jadon diyan tuttiyan ne yaariyan
Mainu kardi ein tang dildariyan
Jadon diyan tuttiyan ne yaariyan
Mainu kardi ein tang dildariyan

Ho jadon kade dil saada hunda ae udaas
Ais aidan tere dulh chahlde
Hun saadeyan speakera te uchi uchi billo
Sad song chalde

Haaye ni sad song chalde
Haaye ni sad song chalde

Navi navi jadon tere naal lagi si
Main teri lor vich rehnda si
Hawa vich aake angreji gaane biba
Main taan sun lainda si

Puraane labh labh download rakhe ne
O saun lagge debi de taan teen pakke ne
Bekar jahe hun lagde
Gaane ajkkal de

Hun saadeyan speaker'a te uchi uchi billo
Sad song chalde

Haaye ni sad song chalde
Haaye ni sad song chalde
Kise vyah utte gaya dil sochda
Ke chit parchawa lawaan main
Dil karda ae dj utte sad jeha gaana
Koi lawa lawan main

"koi mod leyawo ni
Yaar mera chhad geya
Yaar mera chhad geya
Fassi thal vich tadphe ni
Dhaun phunu wadd geya
Dhaun phunu wadd geya"

Jiyundi reh tu nave tera yaar vi jyunda rahe

Unjh bhaven dekhono bekar vi jyunda rahe

Gall sachi asi muhon karde
Aiven naiyo chhalde

Hun saadeyan speakera te uchi uchi billo
Sad song chalde

Haaye ni sad song chalde

Sochi na tu har velle yaad tainu injh hi
Main karda ravaanga
Dil chon tu kadd di khyal ainven tere utte
