

Ab na mujhko yaad beeta  
Main toh lamhon mein jeeta  
Chala ja raha hoon  
Main kahaan pe ja raha hoon...  
Kahaan hoon?

Iss yaqeen se main yahan hoon  
Ki zamana yeh bhala hai  
Aur jo raah mein mila hai  
Thodi door jo chala hai  
Woh bhi aadmi bhala tha  
Pata tha...  
Zara bas khafa tha  
Woh bhatka sa raahi mere gaanv ka hi  
Woh rasta puraana jisey yaad aana  
Zaroori tha lekin jo roya mere bin  
Wo ek mera ghar tha  
Puraana sa darr tha  
Magar ab na main apne ghar ka raha  
Safar ka hi tha main safar ka raha

Idhar ka hi hoon na udhar ka raha  
Safar ka hi tha main safar ka raha  
Idhar ka hi hoon na udhar ka raha  
Safar ka hi tha main safar ka raha

Main raha... o o...  
Main raha... wo o...  
Main raha...

Neel patthron se meri dosti hai  
Chaal meri kya hai raah jaanti hai  
Jaane rozana... zamana wohi rozana

Shehar shehar fursaton ko bechta hoon  
Khaali haath jaata khaali laut'ta hoon  
Aise rozana.. Rozana khud se begana...

Jabse gaanv se main shehar hua  
Itna kadva ho gaya ki zehar hua  
Main toh rozana

Na chaaha tha yeh ho jaana maine

Ye umrr, waqt, raasta.. Guzarta raha

Safar ka hi tha main safar ka raha

Idhar ka hi hoon na udhar ka raha

Safar ka hi tha main safar ka raha

Idhar ka hi hoon na udhar ka raha

Safar ka hi tha main safar ka raha

Main raha.. Oo..

Main raha.. Wo..

Main raha...

Safar ka hi tha main safar ka raha..
