

Ek banjaara ik taare par kabse gaave
Jeevan hai ik dor dor uljhe hi jaave
Aasaani se girahe khulati nahi hai
Mann woh hadila hai jo phir bhi suljhaave
Raahi ka toh kaam hai chalataahi jaave
Saaiyan ve saaiyan ve
Sun sun saaiyaan ve
Saaiyan ve saaiyan ve

Tinka tinka chidiya laave
Aise apana ghar woh banaave
Zara zara tu bhi
Jodke ik khironda bana
Boond boond hai banata saagar
Dhaaga dhaaga banati chaadar
Dheere dheere yuun hi
Tu bhi apana jivan saja
Shichata hai yahaan jo bagiya ko
Wahi phool bhi paave
Raahi ka toh kaam
Hai chalaatahi jaave
Saaiyan ve saaiyan ve
Sun sun saaiyaan ve
Saaiyan ve saaiyan ve

Din hai parvat jaise bhaari
Raate bojhal bojhal saari
Tu yeh sochata hai
Raah kaise aasaan ho
Saari anjaani hai raathe
Jinme dhunde teri nigaah
Koi aisa pal aaj
Ya kal meherbaan ho
Ghoome kabse dagar dagar
Tu mann ko yeh samajhaave
Raahi ka toh kaam
Hai chalataahi jaave
Saaiyan ve saaiyan ve
Sun sun saaiyaan ve
Saaiyan ve saaiyan ve
