

Rangamahal ke das darwaaze  
Rangamahal ke das darwaaze  
Na jaane kaun si khidaki khuli thi  
Saiyan nikas gaye main na ladi thi  
Saiyan nikas gaye main na ladi thi  
Sar ko jhukaaye main  
To chupake khadi thi  
Saiyan nikas gaye main na ladi thi  
Saiyan nikas gaye main na ladi thi

Piya kaun gali gaye shyaam  
Piya kaun gali gaye shyaam  
Mori sudh na linhi haay raam  
Piya kaun gali gaye shyaam

Ang mere gahane pyaasi umariya  
Ang mere gahane pyaasi umariya  
Jogan ho gayi main bin sanwariya  
Haatho me mere mehendi rachi thi  
Mehendi me mere ansuwan ki ladi thi  
Saiyan nikas gaye main na ladi thi  
Saiyan nikas gaye main na ladi thi

Chhod piya ghar naihar jaau  
Chhod piya ghar naihar jaau  
Vande hari ab sish jhukaau  
Kar singaar main dulhan bani thi  
Aisi dulhan se kunwaari bhali thi
