

Duniya se dur hu ab main
Tujhme hi dekhu rab main
Tu hi hai mera meharbaan
Ik hai ab apne sapne
Ik hai ab apni manjil
Ek tera mera rasta
I dont know why you make me high
You make me feel i am on the seventh sky
O no no no dont plz dont go
Dont fly away
Saiya o saiya saiya o saiya

Tera mera kaarwa chal pada hai waha
Jaha naye khwab hai jaha nayi hai subha
I dont know why you make me high
You make me feel i am on the seventh sky
O no no no dont plz dont go
Dont fly away
Saiya o saiya saiya o saiya.
