

Rang de mohe preet ke rang mein
Ae morey rangrezz piya
Teri raah nu takiya ve main naa
Teri yaadan wich dhadke hai
Tham tham ke ab ye mora jiya
Kisi karwat aave na chaina

Raatein tere bin sove na
Subah tere bin hove na
Saansein tere bin aave naa
Yaadein aake jaave na
Kuch bhi tere bin bhaave na
Rabba zulm ye dhaave na
Saiyyan

Raste pe naina biche huve hain
Tere nishaano pe ruke huve hain
Aaoge ek din tum yahin dua
Umeed ke hothon pe rakhe huve hain
Dhun mein teri khud ko dhun liya

Tadpat hai baithu teri yaad utari na sir se
Tere naam ki japta hai maala
Rangat udd gayi mukhde ki
Tan man hai sab ujda pada
Har ek rang lagta hai kala

Raatein tere bin ab sove na
Subah tere bin hove na
Saansein tere bin aave naa
Saiyyan

Yaadein aake jaave na
Kuch bhi tere bin bhaave na
Rabba zulm ye dhaave na
Saiyyan

Rootha muqaddar mana liya hai
Kismat mein tujhko likha liya hai
Dard e judaai ka saara gum
Khusiyon ke piche chupa liya hai

Tune kaha na jo sun liya

Sun ke sajna ki aahat lene laga angdaayi jiya
Amrit jind di wich bhar dala
Dhul ke ujla wo baith yaar ki deed se mann maila
