

Sajda Lyrics

Tainu darne di lodh nai
Ankhan bharne di lodh nai
Jang ishqe di jitt li jine
Ohnu harne di lodh nai

Ni main taar paa ditti ambran te
Tere sille khaab sikhaun layi
Hun khasa waqt na lagda ae
Teri bulliyan nu muskaun layi

Ik dooje ch je jannat mile
Main duniya nu kar daa paraan
Main duniya nu kar daa paraan

Pehla tainu sajda karaa ni sohniye
Duja naam rabb da lavaan
Ni lagge jidda karengi tu munde nu fanaah
Pyaar tera paun lyi main hor ki karaan

Pehla tainu sajda karaa ni sohniye
Duja naam rabb da lavaan
Ni lagge jidda karengi tu munde nu fanaah
Pyaar tera paun lyi main hor ki karaan

Mohabbatan ch kise di ni haani honi chahidi

Shiddat jaruri nahiyo khaami honi chahidi
Dil hi naa lagge chain rooh nu na aave
Nahiyo ishqe di taang jismaani honi chahidi

Lokki tan suli tangde ne
Koi virla thalle laun layi
Koi khasa jor na lagda ni
Ronde nu fer hasaun layi

Dukh tere tak aaun devaan naa
Ni enna agge hoke khadaa
Tere lyi maadi gal naa jaraa
Pehla teinu pehla teinu

Pehla tainu sajda karaa ni sohniye
Duja naam rabb da lavaan
Ni lagge jidda karengi tu munde nu fanaah
Pyaar tera paun lyi main hor ki karaan

Pehla tainu sajda karaa ni sohniye
Duja naam rabb da lavaan
Ni lagge jidda karengi tu munde nu fanaah
Pyaar tera paun lyi main hor ki karaan

Ni ishq-e de raag'an ne duhayi paayi hoyi ae
Haje izhaara wala taal nahiyo mileya
Tohde layi gulaban wala baag layi baithi aa ji
Saanu bhawein kise ton rumaal nahiyo mileya

Chot'an te peerh'an gujjiyan ne
Kuch rehnde haal sunaun layi
Reejh'an diyan faslan machiyan ne
Rabb baitha meeh varshaun layi

Dhupp tere tak aaun devaan naa
Ni tere layi kharid lunga chaa
Tere naal mera vassda jahaan

Pehla tainu sajda karaa ni sohniye
Duja naam rabb da lavaan
Ni lagge jidda karengi tu munde nu fanaah
Pyaar tera paun lyi main hor ki karaan

Pehla tainu sajda karaa ni sohniye
Duja naam rabb da lavaan
Ni lagge jidda karengi tu munde nu fanaah
Pyaar tera paun lyi main hor ki karaan
