

Ek khwaab ne
Aankhein kholi hain
Kya mod aaya hai
Kahaani mein
Woh bheeg rahi
Hai baarish mein
Aur aag lagi hai
Paani mein

Rab labbha papiya nu
Jeehna change kaam
Na change lagde
O kiven pind kajiye
Assi chol paake
Vi nange lagde

O zindagi yun gale aa
Lagi hai aa lagi hai
Koi khoya huva barson
Ke baad aa gaya

O pheeke pheeke the
Din raat mere saath mere
Chhuva tune toh jeene
Ka swaad aa gaya
Ek tarah ke awaara the
Ek tarah ki awaargi
Deewane toh pehle bhi the
Ab aur tarah ki deewaangi

Sajde bichhawan ve
O gali gali o gali
Gali o gali gali
Jis sehar vich
Mera yaar vasda
Kamaana painda ae
Oh khadke oh khadke
Ho itthe rab na koi
Udhaar labhda

Ek khwaab ne

Khwabi khwabi si
Lagti hai duniya
Aankhon mein ye
Kya bhar raha hai
Marne ki aadat lagi thi
Kyu jeene ko jee kar raha hai

Pehle to begaani nagri mein
Hum ko kisi ne poochha na tha
Sara sehar jab maan gaya toh
Lagta hai kyun koi rutha na tha

Sajde bichhawan ve
O gali gali o gali gali gali gali
Jis sehar vich mera yaar vasda
Kamaana pinda ae
Oh khadke oh khadke
Ho itthe rabb na
Koi udhaar labhda

O zindagi yun gale aa
Lagi hai aa lagi hai

Sajde bichhavan ve
O gali gali o gali
