

Sajna bin tere na saje
Mujh par yeh solah singaar
Sajni bin tere na baje
Dil ka yeh suna sitaar
Pyasi hai yeh bahaar
Hum bhi hai bekaraar
Dede thoda sa pyar

Main tera kahna
Tu meri radha re
Anjaane yeh pyar
Bandhan bandha re
Mann madhupan aaja
Brindaban mein aaja
Basuri bole aaja
Gopiyo ke raja aaja
Bin tere main
Bin tere radha main aadha hu
Tera deewana purana hu
Kahna hu main
Kahna bin tere na saje
Mujh par yeh solah singaar
Rahda bin tere na baje
Dil ka yeh suna sitaar
Pyasi hai yeh bahaar
Hum bhi hai bekaraar
Dede thoda sa pyar

Tumhare bina jeena saku
O juliyet tu hai kaha
Mera bhi dil bechain hai
O romio aaja yaha
Mere sang chal yaha se nikal
Abhi iss pal o juli
Mere liya tu tere liye main
Aage leke chal o romi
O juli o romi o juli o romi

Chahe bura maane
Sara zamna re

Tujhko hai paana re
Dharti ki baat bhula de
Jannat ki sej kara de
Main dub jaau tujh mein
Dil mein yeh pyas jaga de
Tu mera hai tu mera
Prem pujari piya hai
To main teri prem deewani hu re
Sajni bin tere na baje
Dil ka yeh suna sitaar
Sajna bin tere na saje
Mujh par yeh solah singaar
Pyasi hai yeh bahaar
Hum bhi hai bekaraar
Dede thoda sa pyar
Pyasi hai yeh bahaar
Hum bhi hai bekaraar
Dede thoda sa pyar.
