

Ankhiyaan kahe role role
Dil daa yeh dard tu dho le
Rab rootha rootha
Rab sa saajna
Kaisi ruswaai lag gayi
Rooh ki parchhaai hat gayi
Kyun pyaar paraya
Kar gaya saajna
Aansoo kaise todein
Saans kaise chhodein

Dekhoon tera rasta aa bhi jaa

Sajna ve sajna ve
Tere bin jeena nahi
Osajna ve sajna ve
Tere bin jeena nahi
Ojeena chaahoon
Jee na paaon
Tu nahi kuchh nahi
Sajna ve sajna ve
Tere bin jeena nahi
Osajna ve sajna ve
Tere bin jeena nahi
Ankhiyaan kahe role role
Dil da yeh dard tu dho le
Rab rootha rootha rab sa saajna

Nahi aur shikast sahoonga
Kismat ko hara ke rahoonga
Jo shahoor hai jo guroor hai
Usko mitta ke rahoonga
Tujhko main pa ke rahoonga
Ya khud ko mitta ke rahonga
Par naseeb ka khilwaad hai
Ujaad ke main rahoonga

Ankhiyaan kahe role role
Dil da yeh dard tu dho le
Rab rootha rootha

Rooh ki parchhaai hat gayi

Dekhooon tera rasta aa bhi ja

Sajna ve sajna ve

Osaajan saajan main karoon
Mera saajan hai us paar
Saajan saajan main karoon
Mera saajan hai us paar.
