

Saki ki zarurat hai na
Jaam ki zarurat hai
Humko to sanam tere
Bas naam ki zarurat hai
Subha ki zarurat hai na
Sham ki zarurat hai
Humko to sanam tere
Bas naam ki zarurat hai
Saki ki zarurat hai na
Jaam ki zarurat hai
Humko to sanam tere
Bas naam ki zarurat hai

Har ek wada kasam se tod de
Har ek wada kasam se tod de
Chahe duniya akela chhod de
Mil gaya humko kisi ke palko ka saya
Thak chuke hai hum hume
Aaram ki zarurat hai
Saki ki zarurat hai na
Jaam ki zarurat hai
Humko to sanam tere bas
Naam ki zarurat hai

Tum ho apne koi bhi hum nahi
Tum ho apne koi bhi hum nahi
Darne wale saza se hum nahi
Mana ulfat hai badi

Badnaam duniya me
Phir bhi humko to kisi
Iljaam ki zarurat hai
Saki ki zarurat hai
Na jaam ki zarurat hai
Humko to sanam tere bas
Naam ki zarurat hai

Is jaha se hume kya wasta
Is jaha se hume kya wasta
Ab hamara zuda hai rasta

Sunke jismo dil dhadak uthe
Ye diwana dil diwane ko usi
Paigam ki zarurat hai
Saki ki zarurat hai
Na jaam ki zarurat hai
Humko to sanam tere bas
Naam ki zarurat hai
Subha ki zarurat hai na
Sham ki zarurat hai
Humko to sanam tere bas
Naam ki zarurat hai.
