

Kushia vi tu dunia vi tu
Taiyo gaddi tere piche gede laave
Jado chaldi slow, kardi glow
Mera chohnda ae tu nede aave
Jinna tere naal love, kar ankhian toh judge
Muho bolke vi metho keha jaave naa

E sala, e saala kidda da pyar kudiye
Pal door tere kolo reha jaave naa
E saala kidda da pyar kudiye
Pal door tere kolo reha jaave naa

Kadi kadh gai ae ankh tere te, tere te
Kann chove ghante mere tapp mere te, mere te
Esi kirpa ae roop tere di,
Case wadhi jande roz mere te, mere te
Ki witness kit, tainu pura ni night
Tere bina ik saah vi lia jaave na

E sala, e saala kidda da pyar kudiye

Pal door tere kolo reha jaave naa
E saala kidda da pyaar kudiye
Pal door tere kolo reha jaave naa

Bus teri chahidi ae haa ni, hah ha
Lally naal jude tera naa ni
Pav nu banale tu vicholaa
Ikko cup vich piye chaah ni chaah ni
Kyu malla vich tu lagdi, jatti tera brand kude
Tere main naam karadu dil di saari land kude
Lambo di seat tre beja, paa diamond da koka
Jet private vicho niklu jodi laggu kaim kude
Ik do teen, roz ginda aa din,
Kad chehra tera mere aage aavega

E sala, e saala kidda da pyar kudiye
Pal door tere kolo reha jaave naa
E saala kidda da pyar kudiye
Pal door tere kolo reha jaave naa.
