

Salam-e-ishq meri jaan zara kubool kar lo  
Tum hamse ishq karne ki zara si bhool kar lo  
Salam-e-ishq meri jaan zara kubool kar lo  
Tum hamse ishq karne ki zara si bhool kar lo  
My heart some fire to night  
My heart some fire to night  
My heart some fire to night  
Humsafar ke liye  
Bade pachtao get um  
Raat jo dhal jaye gayi  
Tere jo armaa hai vo  
Subha na keh paye gayi  
Through the night  
Galat femi yeh dur karlo

Salam-e-ishq meri jaan zara kubool kar lo  
Tum hamse ishq karne ki zara si bhool kar lo.....

Mera dil bechhain  
Mera dil bechhain  
Mera dil bechhain  
Mera dil bechhain hai humsafar k liye  
My heart some fire to night  
Humsafar ke liye  
My heart some fire to night  
Humsafar ke liye.....

Teri aakho se zahir  
Mere dil ka toofan hai  
Tere izhaar ke aage  
Mera to sab kurbaan hai  
Through the night  
Through the night  
Galat femi yeh dur karlo  
Salam-e-ishq meri jaan zara kubool kar lo  
Tum hamse ishq karne ki zara si bhool kar lo.....

Mera dil bechhain  
Mera dil bechhain  
Mera dil bechhain

Mera dil bechhain hai humsafar k liye  
My heart some fire to night  
Humsafar ke liye  
My heart some fire to night  
Humsafar ke liye.....
