

Chaahe main rahoon jahan mein
Chaahe tu na rahe
Tere mere pyaar ki umar,
Salamat rahe

Chaahe ye zameen, ye aasmaan
Rahe ya na rahe
Tere mere pyaar ki umar,
Salamat rahe

O..o..hm..hmm..

Darr hai tujhe main, kho na doon
Mile jo khuda toh, bol doon
Main do jahan ka kya karoon, tu bata..

O..tu jo mere paas hai,
Mujhko na koi pyaas hai
Meri muqammal ho gayi har dua

Chaahe mere jism mein,
Ye jaan rahe ya na rahe

Tere mere pyaar ki umar,
Salamat rahe

Tere tukdon mein jee rahe,
Tum jo mile toh judd gaye
Pankh laga ke udd chala, mann mera

O..tujh mein main hoon, mujh mein tu
Aur hain saansein rubaru
Kuch bhi nahi ab dono ke darmiyaan

Chaahe uss chand mein,
Chamak rahe ya na rahe
Tere mere pyaar ki umar,
Salamat rahe

Chaahe main rahoon jahan mein
Chaahe tu na rahe

Tere mere pyaar ki umar,
Salamat rahe

O..o..hm..hmm..
