

Tu heer meri tu jism mera  
Main ranjha hoon libaas tera  
Tu heer meri tu jism mera  
Main ranjha hoon libaas tera

Aa yun qareeb tu  
Chhu loon main teri rooh  
Bin tere main hoon be nishaan  
Samander main kinara tu  
Jo bikhru main sahara tu

Samander main samander main  
Kinara tu kinara tu  
Jo bikhru main jo bikhru main  
Sahara tu sahara tu

Pehle thi bewajah  
Phir aake tu mila  
Khwabon ko zinda kar diya  
Apne wajood ka hissa bana diya  
Qatre ko dariya kar diya

Shirin hai tu tu meri zubaan  
Farhad hoon main alfaaz tera

Aa yun qareeb tu  
Chhu loon main teri rooh  
Bin tere main hoon be nishaan  
Samander main kinara tu  
Jo bikhru main sahara tu

Samander main samander main  
Kinara tu kinara tu  
Jo bikhru main jo bikhru main  
Sahara tu sahara tu

Sehra ki dhool thi  
Tune qubool ki  
Main aasmani ho gayi  
Jaagu na umr bhar

Jo mere humsafar  
Baahon mein teri so gayi

Tu laila hai nigaah meri  
Main majnu hoon talaash teri

Ho yun qareeb tu  
Chhu loon main teri rooh  
Bin tere main hoon be nishaan  
Samander main kinara tu  
Jo bikhru main sahara tu

Samander main samander main  
Kinara tu kinara tu  
Jo bikhru main jo bikhru main  
Sahara tu sahara tu.
