

# Samayame Lyrics

---

Malli malli raani chinna life idi  
Pattindalla gold ayye chance idi  
Malli malli raani chinna life idi  
Pattindalla gold ayye chance idi

Samayame indrajaalam  
Samayame hrudaya medham  
Samayame modati ankam  
Samayame samara sankham

Piliche adrushtaraani  
Palike aakasavaani  
Malupule eduru kaani  
Doosukellaali Jaani

Gear the hell up  
The chase is on  
Flying over the top  
With no licence on you

Moving like crazy  
A little dazy  
Oh no, tires on fire

Debating on  
Who the better fail  
Who the better pain  
Don't you got no brains

Living like a king  
Wrong gaze  
No face  
But a case

In a haste  
Not a taste in the face

Veta modalaindi

BHARAT  
lyrics

When I speak to you  
You gotta look in my eye  
Not down on me  
Don't lower gaze  
That'll bring you shape

Look into my eye  
When I tell we gon race

Debating on  
Who the better fail  
Who the better pain  
Don't you got no brains

Living like a king  
Wrong gaze  
No face  
But a case

In a haste

Gear the hell up
