

Sambhal ke baitho zara
Chhon mein baharo ki
Kahi nazar na lage tumako
Chand taaro ki

Chand hai taare bhi hai
Aur yah tanhai hai
Chand hai taare bhi hai
Aur yah tanhai hai
Tumane kya dil ko jalaane
Ki qasam khai hai
Chand hai taare bhi

Is tarah dard e mohabbat
Ka na ikaraar karo
Is tarah dard e mohabbat
Ka na ikaraar karo
Ye to sarakar mere pyaar
Ki rusawai hai
Tumane kya dil ko
Chand hai taare bhi

Dhal chuki raat ye aanchal
To hataa do rukh se
Dhal chuki raat ye aanchal
To hataa do rukh se
Kisalie chaand se chehare
Pe ghata chhaai hai

Pyaar bhi karata hai shikawe
Bhi kiya karata hai

Pyaar bhi karata hai shikawe
Bhi kiya karata hai
Sari duniya se nirala
Mera saudai hai
Tumane kyaa dil ko
Chand hai taare bhi.
