

Sambhaali hai kitane dino se paali hai
Isake bina zindagi khaali khaali hai
Hogi kabhi sachchi toh
Woh taabir hoti hai
Taaja lage haan
Jitani bhi baansi hoti hai

Dosti dosti dosti aa ha ha dosti
Hey hey hey hey hey.....

Na milein aasmaan to bhi
Kahin na kahin hum udd jaayenge
Na mile yeh jamin phir bhi
Kahin na kahin hum khil jaayenge
Karde badi jo jindagi jaraasi hoti hai
Har haal mein soche
Bina yeh raaji hoti hai
Dosti dosti dosti ha ha dosti

Milate hamesha nahi
Saare khayaalon mein
Hum haan toh kya huwa
Judate hamesha kahaan
Saare sawaalon pe
Hum haan toh kya huwa
Yeh ruthake chal de
Bhale mudake aati hai
Har din ki yeh aadat
Buri kyun ban jaati hai
Dosti dosti dosti ha ha dosti.
