Take it easy le lo light,
We are same same but different
We are same same but different
We are same same but different
We are same same but different we are
Na tu bole meri jubaan,
Na main bolu teri jubaan
Main jaanu itna pehchaanu itna
Butter naan

Garam garam garam chaai
Main kulfi to chokobaar,
Main bidi tu cigaar
Main hoon bakshi tu gulzaar,
We are same same but different
We are same same but different
We are same same but different
We are same same but different we are

Thoda aage tu chale,

Thoda aage main badhu
Jo thodi koshish ho teri,
Thodi mehnat ho meri
Toh main bolu teri jubaan,
Tu bhi bole meri jubaan
Main jaanu itna pehchaanu itna
Yeh dance hamaara same same,

Yeh sapna apna same same,
Same same same same
Yeh dil ki beating same same,
Yeh mann ki meeting same same

Yeh sapna apna same same,
Same same same same
Hai cool hamaari style,
Doso bis volt ki smile
