

Samne aa parda hata, hata , hata
Samne aa parda hataa, hata , hata
Dekhe jara tujhe mein kya hai
Dekhe jara tujhe aisa hai kya
Dekhe jara tujhe aisa hai kya
Kya kya kya haye kya

Ja rey ja samjha hai kya kya kya
Ja rey ja samjha hai kya kya kya
Pyar tujhe karna aata hai kya
Pyar tujhe karna aata hai kya
Kya kya kya haye kya

Samne aa parda hata
Ja rey ja samjha hai kya

Tum bhi pathar ke dil bhi pathar ka
Pyar mera hai teri takar ka
Dil jale duniya jala dete hai
Aag pani mein laga dete hai
Lakh bijali girao tum dil pe
Hum to pahuchenge aaj manzil pe
Tumko nicha dikha ke chhodenge
Tumko nicha dikha ke chhodenge
Aaj apna bana ke chhodenge haye
Aaj apna bana ke chhodenge

Aa aa
Husan wale teri duhayi hai haye
Lab pe mera sada ye aayi hai

Samne aa parda hata
Ja rey ja samjha hai kya

Toba toba ye pyar kaisa hai
Dil tera bekarar kaisa hai
Hum na aayenge teri baato me
Char din ki ye mulakato me
Mat karo dawaa dil lagane ka
Faida kya hai ab chhupane ka
Pyar jo karte hai chup rahte hai

Dard tera hai tujhse kahte ahi
Kuch na paoge shikayat karke
Jam pila yu bhi mohabbat karke
Pyar ko tumne dil lagi samjha
Moat ko humne zindagi samjha
Aa aa aa

Kuch bhi tumse nahi chhupaya hai
Dil me jo hai jubba pe aaya hai
Kya, ja rey ja samjha hai kya
Samne aa parda hata
Dekhe jara tujhe mein kya hai
Pyar tujhe karna aata hai kya
Samne aa parda hata
Ja rey ja samjha hai kya.
