

Sang basanti ang basanti  
Rang basanti chha gaya  
Mastaana mausam a gaya

Dharati ka hai aanchal peela  
Jhoomo ambar neelaa neelaa  
Sab rangon mein hai  
Rangeela rang basanti

Laharaaye ye tera aanchal  
Saavan ke jhoolon jaisa  
Dil mera le gaya hai ye tera roop  
Gori sarason ke phoolon jaisa  
O laharaaye ye tera aanchal  
Saavan ke jhoolon jaisa

Jab dekhoon ji chaahe mera

Naam basanti rakh doon tera  
Chhodo chhedo na  
Ho ho  
Teri baaten raam duhaai  
Manava loota neend churaai  
Sainya teri preet se aai tang basanti  
Sang basanti ang basanti  
Rang basanti chha gaya  
Mastaana mausam a gaya

Ho sun lo deshavaasiyon  
Ho sun lo deshavaasiyon  
Aaj se is desh mein  
Chhotaa bada koi na hoga  
Saare ek samaan honge  
Sun lo deshavaasiyon  
Koi na hoga bhookhaa pyaasa  
Poori hogi sabaki aasha  
Ham hain raaja  
Tum ho kaun nagar ke raaje  
Chhota munh badi baat na saaje  
Jhoomo naacho gaao

Baaje sang basanti

Sang basanti ang basanti

Rang basanti chha gaya

Mastaana mausam a gaya.
