

Dekho meri nas nas mein hai bijaliya, ude jaise chhu chhuke titliya  
Nahi koi yahaan mujhasa  
Sapano ki raatein hain, yahaan wahaan bas apani hi baat hai  
Nahi koi yahaan mujhasa, chhaaya mera nasha, nasha  
Dekho meri nas nas mein hai bijaliya, ude jaise chhu chhuke titliya  
Huwa dil ka mausam khushnuma  
O o o sansanaati gungunaati ek sargam hai  
O o o jhilmilaaati roshani bhi abb hamdam hai

Khili khili khili rango ki badliya, mili mili mili mujhe taaron ki bastiya  
Jo chaaha woh paaya  
Buni buni meri khaabon ki daastan, khula khula abb khushiyon ka aasmaan  
Jo chaaha sab paaya, khoya dil yeh mera, mera  
Khili khili khili rango ki badliya, mili mili mili mujhe taaron ki bastiya  
Yahaan dil ka mausam khushnuma  
O o o sansanaati gungunaati ek sargam hai

O o o jhilmilaaati roshani bhi abb hamdam hai

Makhamali se khaabon ke kaafile, soyi soyi aankhon se chal diye  
Nili nili roshani mere roop ki chaand aur taaron mein dhal gaye  
Pal ?? meherbaan  
Jage jage mere aankho ke juganu hai, ???  
Mere jalwo ki khushbu hai mausam  
O o o sansanaati gungunaati ek sargam hai  
O o o jhilmilaaati roshani bhi abb hamdam hai.
