

Sansar key sab sukh tere,
Aa pyar kee baho mein
Palko se main choon choon lungi,
Kante hain jo raho mein

Jab ghum tujhe gherenge,
Jab dard satayega
Tab tab teree duniya mein,
Aaungee dawa banake
Koyee tere kwabo ko
Jis waqt jalayega
Masum wafa meri
Barasegi ghata banake
Ley lungi tere dilko main,
Iss dil ki panaho mein

Apna tujhe samajha hai,
Sine se laga lena
Takalifo se ghabarake,
Daman naa chhuda lena

Samajhega hunar tera,
Nadan jamana kya
Har mod pe jivan key,
Ek shama jala di hai
Abb dard kaa shikava kyun,

Abb ashk behana kya
Hasane kee ada tune,
Jakhmo ko sikha di hai
Ummid jaga di hai,
Mayus nigaho mein.
