

Sanso me teri bas jaane ko  
Tadpe dil har shama shama har shama  
Sanso me teri bas jaane ko  
Tadpe dil har shama shama har shama  
Chahat mein teri mitt jaaun main  
Bas tu hi mera jahaan jahaan yeh jahaan

Baahon mein teri bas jaane ko  
Tadpa karoon har shama shama har shama  
Parde mein ret ke armaano ko  
Phir na miley ye jahaan jahaan yeh jahaan  
Baahon mein teri bas jaane ko  
Tadpa karoon har shama shama har shama

Tham si gayi thi saansein meri  
Jab yaad aati thi baatein teri  
Ho tham si gayi thi saansein meri  
Jab yaad aati thi baatein teri  
Nahi bhool sakti woh yaadein teri

Ho na na ab tu judaah judaah na judaah  
Sanso me teri bas jaane ko  
Tadpe dil har shama shama har shama

Deewana samajh ya tu paagal mujhe  
Dil jigar jaan se main chahun tujhe  
Deewana samajh ya tu paagal mujhe  
Dil jigar jaan se main chahun tujhe  
Mujh ko hi mujhse churaya hai tune  
Ye hai teri kuchh adda adda yeh adda  
Baahon mein teri bas jaane ko  
Tadpa karoon har shama shama har shama.
