

Bagiya bagiya balak bhage  
Tettli phir bhi haath na lage

Is pagle ko kaun bataye  
Dhoond raha jo tu jag mein  
Koi jo paaye  
Maan mein hi paaye

Sapno se bhare naina  
To neend hai chaina  
Sapno se bhare naina  
To neend hai chaina

Aise dagar koi agar  
Jo apnaye  
Har raah ke  
Woh anat pe raste hi paaye

Dhoop ka rasta ho  
Phele jalaye  
Mod to aaye  
Chaaau na aaye  
Raahi jo chalta hai

lyrics

Chalta hi jaaye  
Koi nahi hai jo kahin use samjhaye  
Sapno se bhare naina  
To neend hai chaina  
Sapno se bhare naina  
To neend hai chaina  
Naina re

Door se hi sagar jise har koi maane  
Pani hai woh ya reth hai yeh kaun jaane  
Jaise ke din se rain alag hai  
Sukh hai alag hai aur chain alag hai  
Per yeh jo dekhe woh nain alag hai

Chain to apna sukh hai paraye  
Sapno se bhare naina  
To neend hai chaina

Sapno se bhare naina  
To neend hai chaina  
Sapno se bhare naina  
Naina naina naina re  
Sapno se bhare naina  
Naina naina naina re.
