

Saqiya jayen kahan hum tere maikhane se  
Saqiya jayen kahan hum tere maikhane se  
Saher ke saher nazar aate hain veerano se  
Saqiya jayen kahan hum tere maikhane se  
Saher ke saher nazar aate hain virane se

Yeh kuchh log nazar aate hain deewane se  
Yeh kuchh log nazar aate hain deewane se  
Unko matlab hai na sabi se na paimane se  
Saqiya jayen kahan hum tere maikhane se  
Saher ke saher nazar aate hain virane se

Jod kar hath yeh saki hain gujarish meri  
Jod kar hath yeh saki hain gujarish meri  
Jod kar hath yeh saki hain gujarish meri  
Mujhko aankho se peela gair ko paimane se  
Mujhko aankho se peela gair ko paimane se  
Saher ke saher nazar aate hain virane se  
Saqiya jayen kahan hum tere maikhane se  
Saher ke saher nazar aate hain virane se

Mujhko aate hue nasito sabhi ne dekha  
Mujhko aate hue nasito sabhi ne dekha  
Dekha na jaate na kisine mujhe maikhane se  
Saqiya jayen kahan  
Saqiya jayen kahan hum tere maikhane se  
Saher ke saher nazar aate hain virane se  
Saqiya jayen kahan hum tere maikhane se
