

Sar zameene hindustan assalaam vaalekum
Meraa naam baadashaah khaan hai
Ishq meraa mazahab mohabbat
Meraa imaan hai
Mohabbat jisake liye shiri aur laila ke
Naam phulonki khushabu ban gaye
Jisake liye pahaadon kaa sinaa chir kar
Dudh ki nahar bahaa di
Jisake liye farahad ne pahadon ka
Sina chir kar dhood ki neher baha di

Jisake liye majanun ne saharaa ki
Kaak chhaani hai
Aur aaj bhi jindaa hain tavaarikh ban kar
Usi mohabbat ke liye kaabul ka ye pathan
Hindostaan ki sara zameen se mohabbat ki
Kair maangane aayaa hai
Aajamaayish kathin hai imtihaan mushkil hai
Lekin hausalaa buland hai lekin
Jit hameshaa mohabbat ki huyi hai
Sadiyon se yahi hotaa aayaa hai yahi hoga
Roshani agar kudaa ko manjur to
Ankhiyon ke chiraag jalate hain
Kudaa gavaah.
