

Uff kya ladki hai  
Uff kya jadu hai  
Uff kya ladki hai  
Uff kya jadu hai

Sara shahar aaj jagega  
Main sab ki ninde udha lungi  
Sara shahar aaj jagega  
Main sab ki ninde udha lungi  
Sab dekhte rah jayenge  
Main sabke dil ko chura lungi  
Sara shahar aaj jagega  
Main sab ki ninde udha lungi

Hotho se kam in aanhko se main  
Bate jyada karti hu  
Hotho se kam in aanhko se main  
Bate jyada karti hu  
Kal fir milungi main is jagah  
Mai tumse wada karti hu  
Lekin main kal nahi aaungi  
Koi bahana bana lungi  
Sara shahar aaj jagega  
Main sab ki ninde udha lungi

Yu chand ke sath aati hu main  
Yu chand ke sath jati hu main  
Yu chand ke sath aati hu main  
Yu chand ke sath jati hu main  
Chhup jati hu badlo main kabhi  
To phir bahut yaad aati hu main  
Na jane kab in julfo ka  
Mukhado pe ghunghat gira lungi

Sara shahar aaj jagega  
Main sab ki ninde udha lungi  
Sab dekhte rah jayenge  
Main sabke dil ko  
Main sabke dil ko chura lungi

Uff kya ladki hai

Uff kya jadu hai.
