

Saare shahar mein ek haseen hai  
Aur vo main hu aur koi nahi

Saare shahar mein ek haseen hai  
Saare shahar mein ek haseen hai  
Aur vo main hu aur koi nahi  
Tu na udhar dekh idhar dekh yaar  
Tu na udhar dekh idhar dekh yaar

Saare shahar mein ek haseen hai  
Saare shahar mein ek haseen hai  
Aur vo main hu aur koi nahi  
Tu na udhar dekh idhar dekh yaar  
Tu na udhar dekh idhar dekh yaar

Pyaar karega mujhase agar  
Tu yaad karega saari umar tu  
Pyaar karega mujhase agar  
Tu yaad karega saari umar tu  
Phir bhi kisi ka naam na  
Lega ye to mujhako yaqeen hai  
Oh... Uuo  
Saare shahar mein ek haseen hai  
Saare shahar mein ek haseen hai  
Aur vo main hu aur koi nahi  
Tu na udhar dekh idhar dekh yaar  
Tu na udhar dekh idhar dekh yaar

Sabaki nigaahen mujh  
Pe jhuki hain teri nigaahen  
Mujhape ruki hain  
Sabaki nigaahen mujh  
Pe jhuki hain teri nigaahen  
Mujhape ruki hain  
Dekh zara aisi ada  
Aisi nazar aur kahaan  
Saare shahar mein ek haseen hai  
Saare shahar mein ek haseen hai  
Aur vo main hu aur koi nahi  
Tu na udhar dekh idhar dekh yaar

Tu na udhar dekh idhar dekh yaar

Mere sanam ke paas na aana  
Mera sanam hai mera deewana  
Mere sanam ke paas na aana  
Mera sanam hai mera deewana

Main hun kaha tu hai  
Kaha falaq aur tu zameen hai  
Saare shahar mein ek haseen hai  
Saare shahar mein ek haseen hai  
Aur vo main hu aur koi nahi  
Tu na udhar dekh idhar dekh yaar
